Re: DYKENS V ALLEN

Ms. Thurken,

I recently filed a motion to Correct the Court Record on April 20th 2007. I still to this date have not received any notice that it was received or filed.

So Ms. Thurken I respectfully request all my docket entries for the above entitled civil action. I would also like a copy of all the local Rules of Appellate Procedure.

I want to yet again thank you in advance for your Co-operation in these matters

Sincerely

Timothy Dykens
